

Volunteer Positions

Making a Difference to Families in Peterborough

We are looking for **motivated volunteers** to join our enthusiastic and dynamic team in Peterborough, where we provide a range of services for families with complex needs. This is an exciting time to be joining Family Action, as we have embarked on a new and forward looking strategy of modernisation and growth.

Volunteers will be trained, supported and supervised to deliver a range of support.

You will be highly self-motivated, have good interpersonal skills and the willingness to communicate creatively and effectively with families with children age 0-19 years of age.

We currently have two volunteer opportunities at Family action both working in the Peterborough area:

These are flexible posts which will be adapted to the interests, experience and skills of the post holder. Likely tasks may include:

Troubled Families Volunteer

- Supporting families within the home around routines and boundaries.
- Supporting families to engage in local activities, attend meetings or appointments.
- Mentoring families at risk of neglect
- Supporting work within school settings.

To apply for this volunteering opportunity please contact Kimberley Bachl on 01733 893361 or at Kimberly.Bachl@family-action.org.uk

Health Champion Volunteer

- Supporting families, pre or post diagnosis, of autistic spectrum disorder (ASD) or attention hyperactivity deficit disorder. (ADHD).
- Supporting families to access groups and activities in the community.
- Providing families with emotional and practical support.
- Providing home visits on a weekly basis for a short-term period.

To apply for this volunteering opportunity please contact Sally Chalfont on 01733 893361 or at Sally.Chalfont@family-action.org.uk

- These posts would suit a wide range of people looking to further professional development in a children and families setting
- Also Ideal for people who have some spare time every week and want to 'give something back.
- The ideal candidates would have some experience of working with families or life experience with transferable skills.
