21st April 2015

Dear Parents/Carers

We are writing to inform you that the Year 5 Health & Sex Education Programme will begin week commencing Monday 4th May 2015.

We will be covering the following subjects:

- * Keeping your body clean
- * Changes
- * How babies are made
- * How babies are born

There will also be separate sessions for girls and boys regarding 'Girl talk/Boy talk'.

It is important that all children take part in this programme which will in turn prepare them for further PSHE lessons in secondary education and will give them the correct information about these significant life choices.

If you have any questions or concerns then please speak to Mrs Hughes, YR5/6 Leader, in the first instance who will be happy to talk with you. If you then decide you do not wish for your child to take part please let us know in writing by Friday 1st May.

If we do not hear from you we will assume parental consent has been given.

Yours sincerely

Mrs J Cook
Headteacher
