

Please find below a list of handy websites to aid your child with their learning. You might like to use them when researching new ideas, supporting your child's learning or helping with homework. All of the websites are child friendly, so your child can explore them easily.

Science websites

Key stage 1

Bitesize:

<http://www.bbc.co.uk/bitesize/ks1/science/>

Fun activities to help your child learn more about science through games and video clips.

CBeebies:

<http://www.bbc.co.uk/cbeebies/shows/nina-and-the-neurons>

Help Nina with her exciting experiments. Play science, building, engineering and coding games online, listen with CBeebies Radio, and sing along with Nina.

<http://www.bbc.co.uk/cbeebies/curations/science-activities>

Discover fun science experiments and watch clips with CBeebies friends, helping children to learn science through play.

Key stage 2

Bitesize:

<http://www.bbc.co.uk/bitesize/ks2/science/>

Topics

- Living things
- materials
- Physical Processes
