Dear Parents/Carers

Please be advised that electric scooters are not to be driven on school property, while it is legal to buy or sell an e-scooter, riding them on public roads, pavements or cycle lanes is against the law.

We have had a number of complaints that the scooters have been driven recklessly and we have had a number of near misses with children and parents almost been hit by the scooters.

This information is available on the gov.uk website:

The [rules for private e-scooters](#) have not changed. It is against the law to use a privately owned e-scooter. If you use an e-scooter illegally:

- you could face a fine
- you could get penalty points on your licence
- the e-scooter could be impounded

Thank you for your continued support.

Mrs N Harradine
Deputy Head teacher.
